

Toronto Trailbladers Club Application

The Toronto Trailbladers is a volunteer-run non-profit organization created by skaters, for skaters. Our club membership consists of inline skaters of various levels, who want to keep in shape, have fun, and meet new people. All members are twenty-one years of age or older.

We meet at a local trail for an afternoon or evening of fast paced rollerblading. We stress fitness, but we are not a racing club. We like to socialize, but we are not a leisure club.

Our approach is to build strength and endurance with a series of forty-five high-energy work-outs. To further this end, the rolls are held twice a week, and every week throughout the summer, including long weekends.

Our goal is to enhance the fitness of our members in a safe, friendly environment. We take time to socialize, usually at the half way point on the trail and after the roll.
